

You're invited to a Jewelry Express "Sell Your" Gold Party

What is a "Sell Your" Gold Party? Simply put, not your typical jewelry party. Instead of spending your money you have the opportunity to make money! You bring anything made of gold, sterling silver or platinum, as well as, vintage costume jewelry from the 1920's and 1930's (including rhinestones, crystals and marcasites), sterling silver hollowware/flatware (marked sterling or 925) that you no longer want and an experienced jeweler/appraiser will sort through it and make you an offer. You'll receive instant cash! You can either turn it down, or walk away with cash in hand. Even if you're unsure about selling your items, at least bring them to get an idea of what they're worth. **COME, make MONEY, and have FUN!**
